

Raymond And Henning Get Appointment

Cut and Dried Program Carried Out And Objections Apparently Had No Weight.—Good Work Expected of New Men.

Dr. James H. Raymond is now a member of the board of supervisors of the County of Maui. William Henning, who resigned as supervisor last week, began his new duties as deputy assessor for the district of Makawao, on Tuesday, September 1st. Edgar Morton, erst-while deputy assessor for Makawao, is now simply a private citizen, by virtue of the acceptance of his requested resignation.

These several changes were forecast by the News last week, in connection with the announcement of Supervisor Henning's resignation. Dr. Raymond's appointment was made by Governor Pinkham on Saturday last, and he qualified and filed his bond on Monday of the week. He will attend his first regular meeting of the Board on next Wednesday. Dr. Raymond will hold office by virtue of his appointment until the next county elections, which take place in May; after which he or a successor must be regularly elected. As stated last week, there was opposition to Raymond's appointment, in the district of Lahaina, on the grounds that the vacancy should be filled by a Lahaina man. There was also some opposition elsewhere on the grounds that a republican should have been named to fill the unexpired term of a regularly elected republican. So far as can be learned, however, the matter had virtually been decided upon before Maui people knew that it was contemplated, and protests had no effect in changing the decision.

For the most part, however, expressions of opinion are now generally favorable to the appointment of Dr. Raymond, and regardless of party, the belief is expressed that the county will profit by his well known aggressive energy during the next nine months.

HOW HENNING GOT NEW JOB

At request of the administration, through Acting Treasurer Henry Hapai, Assessor J. H. Kunewa called for Morton's resignation, and upon receiving it, appointed Mr. Henning to the place.

Territorial Treasurer Conkling, who has been away on a bond-selling mission for several months, and who is himself to be succeeded by Col. C. J. McCarthy on October 1st, was presumably not consulted in the matter. So far as is known, the change is solely one of "political expediency," no complaints having been made public, if there were any. On the other hand it is generally conceded that "Pop" Henning will very satisfactorily fill his position, which incidentally pays \$1800 per year.

NEW HANA DEPUTY ALSO

Another appointment, made without any blare of trumpets, was that of Harry Cooper, of Hana, to be deputy tax assessor of the Hanadistrict in place of W. P. Haia. This change took place several weeks ago.

Girl Dies of Diphtheria

Diphtheria was the cause of the death of a 14 year old Chinese girl, the daughter of Wong Nong, on Saturday last, at the family home between Wailuku and Kahului. At the present time the mother and three other children are ill with the disease.

The place was not quarantined until about the time of the girl's death, as the physician called in attendance, it is claimed by the health authorities, failed to recognize the disease as diphtheria and report it. A number of other cases of diphtheria, previously reported, are said to have about recovered.

Local Waters May Be Scene Of Big Fight

German Cruiser Nurnberg Expecting Encounter With British War Vessels—Hurried Visit for Coal.

Prospects are excellent for a fierce naval engagement in the near future between the German cruiser Nurnberg and several British war vessels said to be haunting these waters. This was the report generally believed in Honolulu with the sailing of the little German cruiser on Tuesday evening, after a visit barely long enough to take on 750 tons of coal. That Captain Carl von Schoenberg held something of the same belief is indicated by his parting statement to George Rodiek, German consul. He is reported to have said:

"No matter what enemy we meet outside, nor its strength, the Nurnberg never will surrender. We are going to meet whatever comes, and I expect my little cruiser will be the coffin for me and my crew."

The Australian battle cruiser Australia and the destroyer Wargo are reported to be very near the Islands, and are believed to be lying in wait for the German. The Japanese cruiser Idzuma, is also supposed to be somewhere not far distant.

The German residents of Honolulu in large numbers, gathered at the wharf at the time of the departure of the Nurnberg, to wish her success. It was a rather solemn parting, according to reports. There is no clue as to which course the German intended taking after leaving the harbor.

Owing to the fact that the wireless company is prohibited from handling any messages concerning movement of hostile war vessels, it is unlikely that anything will be known here of anything that may happen, until the arrival of the mails.

Former Wailuku Lady Hurt in Street Car Wreck

Walter A. Engle, chief clerk in the public lands office, received word yesterday from his wife that she had figured in a serious street car accident in Seattle on August 15. Twenty-two persons were seriously injured when two cars collided head-on near Seventy-second avenue and Rainier boulevard. Mrs. Engle, who has been visiting at Maltby, and a friend, Mrs. Ben Gill, of Bryn Mawr, were on their way to Seattle for a day's shopping. Mrs. Engle had both legs seriously bruised in the accident, while Mrs. Gill was hurt on the right leg.

Mrs. Gill is well known in the Islands. As Miss Marjorie Foltz, she was a teacher a few years ago at the Kindergarten in Wailuku, Maui.—Advertiser.

Divorce Refused

After hearing the testimony in the case, Judge Edings, on Monday declined to grant the divorce asked for by Marie Ah Lau, from her husband, Ah Lau, on grounds of extreme cruelty. Eugene Murphy represented Mrs. Ah Lau in the matter, and Enos Vincent was attorney for the defendant.

Three Months for Fraud.

Julio Velarde, a Filipino, obtained \$10 from a Chinese woman by telling her he had been sent by a certain friend of hers, who was in serious trouble. When arrested later, he had spent the money in the purchase of gaudy raiment. He was sentenced to three months, by Judge McKay for gross cheat.
